The Birmingham & District Dobermann Club, The Midland Dobermann Club & the North of England Dobermann Club maintain the judging lists A1, A3, B & C.

Applications for the judging lists or progression to another list must be made to any above Club Secretary. The applicant should send 3 (three) copies of the fully completed questionnaire and appropriate certificates. At the judges sub-committee meeting, voting on the application will take place and those achieving approval will be added to the relevant list.

Applications will only be accepted on the correct form and applications that do not meet criteria will be returned by the Club Secretary. Shaded areas and ghost figures on each application form indicate that this is a minimum requirement. Each page of the application form must be signed and dated by the applicant. Applicants will also be required to sign a declaration that they have read and understood the Kennel Club Code of Best Practice for Judges and the Dobermann Breed Standard and that they will judge in accordance with it.

To judge 4 (four) or more classes you **MUST** be on the relevant Breed Club (A1, A3 or B) Judges List.

Those judges listed as having a Breed Credit Certificate for Dobermanns under the KC Judges Development Programme shall, upon submission of a fully completed application form, be automatically entitled to inclusion of the Non-Breed Specialist 'B' list.

The three breed clubs reserve the right to review and/or amend the lists as is deemed necessary. We are not required to include all Judges who qualify under this criteria, nor are we required to give any reasons for exclusion. Judges will be notified in writing of any changes to their status. Inclusion on a Judges list in one year does not automatically ensure subsequent inclusion.

The Clubs' judging list(s) will be distributed periodically to the secretaries of general championship shows & open show canine societies to assist them in appointing future breed judges. The above Clubs' will only select judges for their open & championship shows from names on the list(s).
